

## 33rd World Neuroscience and Neurology Conferences November 02-03, 2020 | Webinar

Dario Furnari \*

Department of Pathology, University of Exeter, UK

### 2020 Conference Announcement

After the successful completion of the 19th Global Neuroscience and Neurology Conference on November 07-08, 2019. We are pleased to welcome you to “**World Neuroscience and Neurology Conference**”. The congress is scheduled to happen on **November 02-03, 2020** (Webinar). This Neuroscience 2020 conference will give you an exemplary experience and enormous ideas in the research field. The perspective of the Neuroscience conference is to establish Neuroresearch works for people to understand how the treatment techniques get advanced and how the field get emerged in recent years. The sessions to be discussed in the conference includes Neurology, Neurons, Neurological disorders, Central Nervous System, Spine and Spinal Disorders, Neuro-Degenerative Disorders, Pediatric Neurology, Neuro Epigenetics, Neuro Oncology, Clinical Neurology, Dementia, Parkinson’s Disease, Spinal Bulber Muscular Atrophy (SBMA), Neuronal Development and Regeneration, Molecular and Cellular Neurobiology, Neurogenomics, Neuropsychiatry and Behavioral Science, Diagnosis and Imaging Techniques, Neurochemistry, Nursing and Neuroscience, Neurosurgery, Pharmaceuticals and Therapies, etc.,

The expected participants to attend the conference are Academic Scientists, Business Entrepreneurs, Doctors, Clinical Experts, Neurosurgeons, Neurologists, Directors/Managers/CEO’s, Nurses, Neuro Training Institutes, Neuro Equipment Management, Neuro Technicians, Health Care Associations, Industry Professionals, Marketing, Advertising and Promotion Agency Executives, Medical Colleges, Presidents & Vice Presidents, Research Faculty, Students.

**The past conference proceeded through various Scientific Sessions with highlighted Keynote presentations by:** Radu Muthiac, University of Bucharest, Romania, Segundo Mesa Castillo, Psychiatric Hospital of Havana, Cuba, DR. AVATHVADI VENKATESAN SRINIVASAN, The Tamilnadu M.G.R. University, India, Dario Furnari, University of Exeter , UK, Dr. Rajendra D. Badgaiyan, Richmond University, USA

**Notable plenary presentations:** Peter Norrie, Australian National University, Australia, Diana Kljenak, University of Toronto, Canada, Adel M Agina, University of Twente, Netherlands, Rocco de Filippis, Institute of Psychopathology, Italy, Jace Pillay, University of Johannesburg, South Africa

The people who have missed attending the past [Neuroscience 2019](#) are most welcome to present your research ideas in [Neuroscience](#)

[2020](#) conference. This conference will help you to improve networking with the eminent people in the Neuro field.

Our organizing committee members would like to invite all the potential dental people to participate in the Neuroscience and Neurology conference to develop and enhance the field of Neuroscience.

The conference has lots of scientific sessions, workshops, Oral presentation, poster presentation, video presentation, etc

Make your footprint in the Neuroscience 2020 conference to explore the research and treatment techniques in Neuroscience at Rome, Italy.
